Request for an extension on assignment submission deadline

To:

Professor Raj Shikhar

Respected professor Shikhar,

I hope you are doing well. I am writing to respectfully request a short extension for the submission of my assignment for your course , which is currently within 2 days.

Due to certain health issues ,I have been unable to complete the assignment properly. I have made considerable progress on the work but would require additional time to ensure the quality of my work reflects the effort of this course.

I would be grateful if you could grant me an extension until this weekend. I understand that deadlines are important and I apologize for any inconvenience this request may cause.

Thank you very much for your understanding and consideration

Yours sincerely,

Adhithi. P.K

Subject: Application for Summer Internship Opportunity

Dear Internship Coordinator,

I hope this message finds you well. My name is Adhithi.P.K and I am currently a first year student pursuing a degree in CSE(CLOUD COMPUTING AND AUTOMATION) at VIT BHOPAL UNIVERSITY.

I am writing to express my interest in potential summer internship opportunities at your organization. I am eager to gain practical experience and further develop my skills in Cloud Computing at your company which I believe would provide valuable exposure to real-world industry practices.

During my studies, I have developed a strong foundation in cloud platforms such as AWS/Azure, basic scripting with Python, and an understanding of virtualization and cloud infrastructure. I am particularly interested in contributing to projects where I can apply my knowledge while also learning from experienced professionals.

I would greatly appreciate the opportunity to be considered for a summer internship position.

Thank you for your time and consideration. I look forward to your response.

Yours Sincerely,

Adhithi.P.K
